

PRESERVATION PARKS
DELAWARE COUNTY

Spring Safety Tips

- Take a moment to stretch your arms and legs before hiking.
- Pets must be on a leash at all times.
- Remember that parks are natural areas. Watch for fallen tree branches, loose gravel, and other tripping hazards on trails.
- Lock your car doors and keep windows closed while visiting the parks. Place valuables (purses, GPS, cell phones, etc.) out of sight.
- Be aware of weather conditions and advisories (storm warnings, high temperatures, air quality alerts).
- Carry a cell phone and become familiar with the park and trail names, so you can tell 9-1-1 operators your location in the event of an emergency. Trail names are posted at trail starting points, and in park maps and kiosks.

Park officers are on duty during park hours.

Call 614-989-1972 for assistance.

Thanks for visiting Preservation Parks!
