Engineering Design Services
Request for Qualifications

Sealed qualification statements will be received at the main offices of PRESERVATION PARKS OF DELAWARE COUNTY, located in Hogback Ridge Park, 2656 Hogback Road, Sunbury, Ohio 43074 until **1:00pm** local time on **June 21, 2022**, for the Ohio to Erie Trail Engineering Design Services Project. Preservation Parks ("Owner") is seeking engineering services for the design of a multi-use asphalt trail and pedestrian bridge improvements located on Preservation Parks owned property in Trenton Township, Ohio

This project includes Survey, Design, Engineering, Bidding and Construction services. The design team will work with PPDC staff to complete final construction documents and specifications for 10' wide, 1,500' long multi-use asphalt rail to trail project including 220' railroad bridge conversion to pedestrian and bicycle use.

The RFQ with additional information and requirements for the project can be obtained at the Park Offices at Hogback Ridge Park or on the Park District's Planning and Construction webpage [Planning & Construction - Preservation Parks of Delaware County](#)

The Park Board reserves the right to reject any and all qualifications and waive any informalities. The Board also reserves the right to hold all statements of qualifications for 60 days after the submittal date, even if not accepted or rejected.
