A Night to Remember: Celebrating 50 Years of Preservation Parks

Together, We Raised Funds to Support Our Beloved Preservation Parks.

We celebrated the **legacy donors** who generously provided the land and funding for our first parks.

Our **Inaugural Fundraiser Gala** brought together 230+ friends, partners, and supporters to celebrate the vital role Preservation Parks plays in our community.

Thanks to **donors and 43 incredible sponsors**, we raised a net revenue of \$48,000 - directly supporting the Park District.

Supporting Projects & Programs That Enrich Our Community

Bicentennial Barn Renovation
Raised \$121,838 to restore this historic treasure at McCammon Creek Park, which will provide a gathering place for celebrations, learning, and shared experiences.

Summer Letterbox Adventure
Engaged more than 2,200 children and families in exploring the wonders of nature—creating memories and sparking curiosity in our youngest visitors.

Earth Day Concert & Native Plant Sale

Brought joy and learning to our community with a performance by the kid-favorite Banana Slug String Band at Gallant Woods, inspiring connection to nature through music and fun.

Sustainability Initiatives
Installed 16 new recycling/trash receptacles and educational signage in 12 parks, to reduce waste and ensure our parks remain clean, beautiful and welcoming for generations to come.

Perfect Creek One Room Schoolhouse Furniture Restoration
Restored antique school desks to bring history to life for future generations.

Every dollar we raise allows the Park District to allocate more funds toward protecting Delaware County's precious greenspaces and places for all to enjoy.

Thank you for helping us protect, restore, and celebrate the places that strengthen our community.

Your Generosity Creates Lasting Impact
